Dear Parents,

You and your children are personally invited to enjoy Halloween in the Halls at the University of Wisconsin-River Falls! **Planned activities and Trick or Treating are scheduled to take place on Tuesday, October 30, 2018, from 5-7 PM.** Children must be accompanied by an adult to be admitted into the residence halls.

The Department of Residence Life feels that this event can bring the campus closer to the community and make a safe Halloween experience for your children.

For your child to have the most enjoyable experience, we ask that you start at your assigned hall, and then follow the rotation schedule given when you arrive (as each hall is only prepared for a certain number of students). However, if you have multiple children and they are assigned to different halls, you may pick one hall and take all children at the same time.
