ST. BRIDGET PARISH SCHOOL

FALL 2026

Back-to-School

The school year is in full swing, and our halls are once again filled with learning, laughter, and friendship! From settling into classroom routines to beginning orchestra and cheering on our Celtics, there is so much to enjoy. As the leaves change and fall traditions begin, we are grateful for another wonderful year of growing together in faith, knowledge, and community.

Celebrating 75 Years!

Seventy-five years of faith, learning, and community! On August 27, we kicked off our yearlong 75th anniversary celebration, honoring the legacy of St. Bridget Parish School since its dedication in 1951. Families, parishioners, alumni, and friends gathered for an evening of fellowship, food, and fun as we celebrated the generations who have made our school what it is today. We are proud of our roots and excited for all that lies ahead!

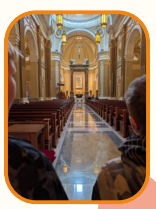

A Visit to La Crosse

Our middle school students enjoyed a special faith-filled trip to La Crosse with Father Bala and members of our staff to visit the Shrine of Our Lady of Guadalupe. It was a meaningful opportunity to step beyond the classroom, deepen their faith, and experience the beauty of our Catholic tradition together. Experiences like these help our students continue to grow in their relationship with Christ.

Volleyball

What a season for our Celtics! Both our 5th and 8th grade girls volleyball teams earned their spots in the playoffs, showing determination, teamwork, and heart along the way. Their seasons came to an end in the playoff rounds, but we are incredibly proud of all they accomplished. Way to represent St. Bridget, Celtics!

Building Beds

Faith in action! Our St. Bridget community joined together with parish members to build beds for those in need in our community. This hands-on project was a wonderful reminder that living our faith means serving others with love and generosity. We are proud of our students and parish family for making a difference, one bed at a time!

Grandparents Day

Grandparents Day is always a special celebration at St. Bridget! Our church was filled with excited voices, proud smiles, and joyful waves as students spotted their grandparents and loved ones. The celebration ended with big hugs and precious moments together. We are so grateful for the grandparents and special people who bring so much love and wisdom into our students' lives!

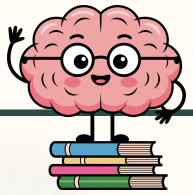

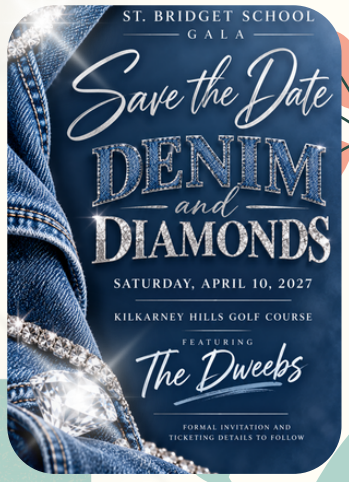

Spring MAPs

We are incredibly proud of our students and staff for their hard work and academic growth! During last spring's MAP testing, 100% of students scored at or above proficiency in Math, Language, and Reading, while 90% achieved proficiency in Science. These outstanding results reflect the dedication, growth, and commitment to learning happening every day at St. Bridget Parish School!

Alumni

A few of our high school alumni recently stopped by to visit and shared how grateful they are for their St. Bridget education, saying, "High school is so easy!" We love seeing our Celtics thrive!

Upcoming Events

- Holiday Happenings Craft Sale
  December 5th
- Christmas Program
