Dear St. Bridget Parish Members,

If these past few weeks have taught us anything, it is that we as Christians can count on each other to come together in times of need. So many of you have reached out, offering to help in any way possible. I have seen firsthand wonderful acts of kindness and prayer that are doing so much for the members of our Parish and others around our country. Please, keep them coming.

Our parish staff is also finding ways to help during this time of crisis. We have members and employees who have come together to make meals for donating, we have turned off and unplugged every appliance we can and have lowered heat throughout most of the school and church buildings. We continue to be good stewards with your donations.

During this difficult time, if you are financially able, I ask that you remember the church. Your tithing helps fund live radio masses, the recording of Mass for online viewing, and also keeps the church doors open, which allows a welcoming and inviting place for all those in need – no matter the reason.

Ways to Give:

- ◆ Drop off your offertory envelope at the church office or the drop slot in the Library door.
- ◆ Text "GIVE" to 715-226-6331. Click on the link that will be sent to you and enter your donation amount. (For help, please contact the church office or see instructions online at www.saintbridgets.org.)
- ◆ Mail your offertory envelope directly to the church office.
- ◆ Visit our website at www.saintbridgets.org, click on Church and then Opportunities to Give. You can give online or complete an ACH form. (For help, please contact the church office.)

If you need help in any way for rent, food, or just to talk, please contact the office or me.

God's Blessings and Peace during this unprecedented time,

Rev. Gerald Harris, Pastor
