**Reminder: 3:52 Dismissal Time Begins TODAY!** This is probably a good opportunity to also remind you that pick-up people need to get out of the vehicle and come to the student line to pick up at dismissal time AND that morning drop-off is to be a continuous flow of vehicles in the school parking lot. If you need to get out of your vehicle in the morning, you may not park in the school lot. Instead, park in the library lot or church parking lot. Thanks for your attention and cooperation with this policy.

You are asked to spend approximately one hour working with the materials on one of these dates.

We are in the home stretch with our GALA preparations! Thank you so much to our Committee who have been working on this event since July, and each of you who have or will help in some way to make the evening special. As you know, this is our largest school fundraiser and one we depend heavily on. \$40,000 of the funds raised go directly into our 2018-19 operating budget (saving each family \$392 in tuition), \$5,000 to our School Endowment, and the remainder to our special projects.

Sincerely,

Jeanne McCoy  
Principal
