Dear St. Bridget Parish School Families:

New Hires: I am very pleased to share the exciting announcement of these teachers hired in the last week!

- **Grade 5:** Mrs. Judy Youngblood-Bourn has taught Grades 3 and 5 for more than 20 years, mostly in the Spring Valley School District. She holds a Master's Degree in Education from UW-RF. I am confident students will find Judy's sense of humor, hands-on approach to learning, and engaging personality delightful while encouraging and supporting them as they grow in their academic achievement and personal development.
- **Grade 4:** Mr. Tim Folsin also comes to us with a wealth of experience, 20+ years. Tim has a Master's in Reading from UW-Superior, and has taught grades 2, 3, 5. He has also worked as a Reading Specialist for grades PreK-5 for many years. I believe Tim's commitment to student success, education and experience in teaching reading strategies and interventions, as well as his avid outdoor interest make him a great addition to our school staff!
- **PreK:** Ms. Latischa Ferg has a Bachelor's Degree in Early Childhood from UW-Stout, and has worked as a substitute teacher in Somerset, St. Croix Central, and Baldwin-Woodville school districts. Latischa's love of books, and excitement about teaching will be a great fit for our PreK students!

I am still working on the hiring of an art teacher.

God has blessed our school with a wonderful assortment of new hires. I believe their commitment to students, level of education and experience, deep faith, and personal qualities, will complement our current staff, and help us in our work of making St. Bridget Parish School an outstanding educational place for children to grow and develop in knowledge and faith.

Sincerely,

Jeanne McCoy
Principal
