

AN EVENING TO CELEBRATE AND SUPPORT ST. BRIDGET SCHOOL

THE GREAT GALA

ST. BRIDGET SCHOOL.

WELCOME

Dear Friend of St. Bridget Parish School,

Prayer. Respect. Responsibility. Stewardship. Excellence. Faith. Family. At St. Bridget Parish School, these words are at the heart of everything we do. We are more than just a school—we are a welcoming, Catholic community which focuses on faith, family and individual academic excellence—fostering living examples of God’s presence in our world. For nearly 75 years, we have had the joy of investing in families in the River Falls area and helping students build strong foundations for a lifetime of learning and service.

We look forward to a wonderful evening together at this year’s Gala, “The Great Gala”. This is more than just a fundraiser; it is a celebration of generations who have invested in St. Bridget Parish School and a commitment to the children who will carry our mission forward. Your support is a powerful way to invest in the hearts, minds, and faith of our students now and for years to come.

At this year’s Gala, guests will enjoy delicious food and drinks, silent and live auctions, raffles, and lively entertainment from Sweet Keys Dueling Pianos. It is a guaranteed night of laughter, music, fun, and community building!

Proceeds from the gala each year play a crucial role in supporting our school. The true cost to educate one student is approaching \$9,113, while the average family pays \$4,400 in tuition. The difference is made possible through the generosity of St. Bridget Parish and caring supporters like YOU. This year our fundraising goal is \$140,000 which will help support key initiatives: investing in our students and classrooms, investing in enhancing safety and security, investing in our dedicated teachers, and investing in families investing in our endowment fund. Last year supporters invested in helping us start our Orchestra program, adding a new merry-go-round and drums to the playground, completing our bleacher project, purchasing new chairs, and updating our sound system for performances in the gym.

I have been honored to be a part of St. Bridget School for over the last 24 years, first as teacher and now as principal. I have witnessed amazing partnerships, worked alongside amazing teachers, and walked with remarkable families to help make a difference in the lives of hundreds of students.

If St. Bridget School has positively impacted you, this year’s gala is your opportunity invest for generations to come. Together we can continue to provide a faith-filled education for every student who walks through our doors. On behalf of the students, staff, and families of St. Bridget Parish School, we thank you for your continued kindness, generosity, and for supporting our mission of investing in the future of St. Bridget Parish School. Thank you for being part of our story and for making a difference.

In Partnership,

Dannell Nordstrom

DESSERT DASH

Time again for the fun filled annual dessert dash so get those running shoes ready!

This year we will be conducting the dessert dash through BidPal (OneCause). So how is it going to work?

When you arrive at the event you will get a card with your name to save your spot at the table of your choosing. After some amazing apps, raffles, games, and cruising through the silent auction items you will take your seat and say a prayer with Father Bala. Then comes a great meal from Belle Ame and you will hear our emcee announce the start to our dessert dash bidding.

To put your bid in go onto your bidpal and look to “fixed priced items” you will see dessert dash table “ “ with your table number click on it and put in the amount you would like to put towards the dessert. This will be a table effort. **The table with the most in donation will win first pick for dessert choice.**

The emcee will ask every table to send a representative to participate in the dash and line up in the front. The emcee then will announce the winners in order of largest donations. Then the fun begins. The top winner will get to casually stroll towards the desserts and get first choice. The second highest, second choice of dessert, but as the winner go down the line the time shortens until the table representatives will find themselves “dashing” to get to choose the best dessert left. It is a highlight of the night and brings lots of laughs and fun.
