St. Bridget Parish School is a welcoming, innovative Catholic community which focuses on faith, family, & individual academic excellence-fostering living examples of God's presence in our world.

2025-26 Registration/Tuition Information

St. Bridget Parish school offers a high-quality education program utilizing innovative, faith-based teaching. Our small class sizes promote the chance for differentiated instruction. We provide opportunities for leadership and community service in a warm, welcoming, family atmosphere. The cost to educate a student during the 2024-25 school year was \$8,681. Saint Bridget is committed to helping any family who desires a Catholic Education for their child(ren). We are grateful for the support of the parishioners who help offset the cost of tuition for families of St. Bridget School covering around 35% of the cost to educate a student. We also have supporters who donated over \$50,000 last year to help families through tuition assistance/grants. If tuition assistance would be helpful for your student(s), simply fill out a Tuition Grant form and return to the school office with registration. Forms are available in the school office or on our website listed above. **Please complete this packet AND visit Option C (our online data management system) to register your student for the 2025-26 school year.**

Tuition Rates Per School Year

The tuition increase from 2024 will help cover the costs of field trips, school activities, Middle School Phy. Ed. shirts, and PreK rest mats so we are not asking families for these fees throughout the school year. The other portion of the tuition increase will help partially cover the cost to increase the salaries for our well-deserved school staff.
