— John 16:33 NABRE

Steubenville | St. Paul is a weekend conference that evangelizes, equips and empowers 8<sup>th</sup>-12<sup>th</sup> grade youth to become radical, joyful disciples. Enjoy keynote speakers, praise and worship, Eucharistic Adoration, Reconciliation, and much more.

Part of a series of 25 Steubenville Youth Conferences across North America that serve 50,000 young people annually, Steubenville | St. Paul is held at the University of St. Thomas in St. Paul, MN.

Throughout the Bible, the Lord tells us over and over again, "Be not afraid," and he continues to speak these words to us today. This summer, join hundreds of Catholic teens (plus thousands of others who will be attending Steubenville Conferences across North America) to experience the peace of Jesus Christ, who is always faithful and will never abandon us.

## What does a conference weekend look like?

Participants arrive with their groups and check-in mid-afternoon Friday. After dinner, the conference starts with a welcome from the Conference Host, who is part of the Ministry Team, a short teaching about worship and the Keynote address. The evening concludes with simple Eucharistic Adoration followed by time for the participants to gather in their small groups and/or go to Confession.

Saturday begins with Mass and separate Men's and Women's sessions that typically focuses on how to live a chaste life in the world today. Lunch starts the afternoon and happening simultaneously is another opportunity for small group time and/or Confession followed by the Senior and Graduated Senior workshop, an option of two workshops for all others, and the afternoon Keynote.

Dinner, small group time and an opportunity for Confession begin Saturday evening. This is followed by the Keynote and, what is often described by teens and adults alike as the absolute highlight of the weekend, Eucharistic Holy Hour with formal procession throughout the entire arena. Again, at the conclusion, groups gather for their small group time and/or Confession.

Sunday morning starts with the Keynote address, which generally focuses on how to bring the things they have heard throughout the weekend into a personal and practical reality for their everyday life. The conference wraps-up with the closing Mass usually celebrated by the local Bishop.

## Why go?

*I have been blessed with the opportunity to go to a Steubenville Youth Conference. If you don't know what that is, it is a great weekend filled with faith and fun for grades 8-12. Many different people from all over the country attend. There will be over a thousand teens to learn together about our Catholic Faith. It is a wonderful opportunity to hear speakers from all over the country as they cover many different topics. They will cover current issues and how our faith can help us through them. The speakers will also encourage us to think about our faith and strengthen our relationship with God. There will be Mass, Reconciliation opportunities, and Adoration like you've never experienced before. The Sacraments are everywhere on this weekend. We have fun playing Frisbee and other group games to build community with our own parish and with other teens. This conference builds a sense of community and shows teens they are not alone in their faith journey. It does not matter where you find yourself on your own journey you are, and we all are children of God.*

*I strongly encourage you to contact Amy and get registered for this year's Steubenville Conference—you will not be disappointed!*
