Christmas Party with a "White Elephant" Gift Exchange!

Sunday Afternoon Dec. 23, 2018

2pm to 4pm-ish in the Upper Room at St. Bridget

Please bring a wrapped 'white elephant' gift
and a Yummy treat to share!

Definition of White Elephant Gift =

what makes this gift exchange fun ... is the opportunity to "steal"
from one another.

THUS the object when picking a gift to bring =

is to make it FUNNY, YUMMY, SWEET, or CREATIVE...

because if it becomes a popular gift then the fun of stealing can take place
(a big box filled with broken wood is an example of what NOT to bring !!)

A wrapped gift to participant in this fun and active gift exchange.:

- ◆ You might buy a simple, tasty, funny or sweet gift.
- ◆ You might find one from around your home.
- ◆ You might make something creative.
- ◆ You might even re-gift a gift you've been given in the past.

A "gift" should be funny ... humorous ... cute ... or nice ... but not mean or naughty.

No worries if you think you may not know anyone, because after a few 'ice-breakers' you definitely will! And friends are ALWAYS welcome!
